

Joseph Nordlinger is the President of Ascent Services Group – an ACS Group company. With almost 20 years in the industry, he brings with him a wealth of knowledge and experience in the areas of technology, life sciences, payroll services/IC compliance, contingent workforce management, project and portfolio management and data management.

Joseph has led the Ascent Services Group as the President and CEO since 2006. He led his company with a firm belief in the power of human networks to achieve incredible results by building and maintaining relationships in a way that provides immense value to the individuals who are part of the network. In this spirit, he continues to collaborate with exceptionally talented and committed leaders in order to develop unique and innovative human services delivery platforms that provide accelerated success for both Ascent and its clients.

Joseph is an alumnus of Thunderbird School of Global Management, where he graduated with a Master of Business Administration in 2000. He also has a Bachelor of Arts in International Political Economics degree from the University of California, San Diego
